AWARD

The Government of Goa, Daman & Diu, by its Order No. 28/33/82-ILD dated 23rd February, 1983, has referred for the adjudication by this Tribunal of an industrial dispute between the above parties. The schedule attached to the Order of reference reads as follows:

"Whether the action of the employer, M/s. Aldona M. S. Cooperative Society Limited, Aldona, Bardez-Goa in refusing employment to Shri Apa G. Sawant, Weighman, with effect from 1-1-1978 is legal and justified?

If not, to what relief the workman is entitled to?"

2. In his statement of claim the workman has stated that he was employed as a weighman in the fair price shop of the employer Party II at Aldona Bardez Goa in the month of July 1975 on a monthly salary of Rs. 80/-. He worked for the employer till 10th November 1976 when he was retrenched under the instructions from the Assistant Registrar. The employer assured the applicant that he would be reinstated on priority basis as and when the employer needed to recruit staff. At the time of retrenchment, neither the outstanding dues nor compensation for retrenchment were paid to the workman by the employer, although by letters

dated 10th October and 10th November 1976, he had asked to make the payment. In the year 1978 when the workman came to know that one of the weighmen Shri Ganpat Malder had resigned from the service, he personally approached the then Chairman of the Employer Society and requested him to reinstate him in place of Shri Ganpat Malder, as assured by the employer. The Chairman orally assured the workman that he would be reinstated and that he would intimate the workman in due course of time, which he failed to do. When the workman came to know that the vacancy had been filled in by the employer with some other person, he brought the matter to the notice of the Labour Commissioner, vide letter dated 29th March 1982. The workman submits that the retrenchment order passed by the employer without complying with the provisions of Section 25F of the Act is illegal and bad in law and cannot produce any effect. Further, when the employer became financially sound other person was recruited in the place of the workman instead of giving preference to the workman, as assured by the employer at the time of his retrenchment. It is prayed that the workman be reinstated with full back wages and continuity of services.

3. The employer, in its written statement, has stated that the workman's services were terminated, as per the direction of the Assistant Registrar of Co-operative Societies, after serving one month's notice on him. It is denied that there are any outstanding dues owed by the employer to the workman. On the contrary, the workman owes to the employer Rs. 357/43 of shortages, which he had agreed to pay in instalments of Rs. 25/- per month. Regarding leave dues owed by the employer to the workman, it is submitted that they are much less than the amount owed by the workman to the employer. Salary for 10 days claimed by the workman is not payable to him, as he did not report for work. One Malder left the job in May 1978 and the post of weighman earlier occupied by him was taken up by another employee, one Vincent de Souza, a workman who was on leave without pay. The workman was not denied his dues payable to him under law, but they are to be set off against the amount owed by the workman to the employer. Under the bye-laws of the Society, the workman, being a defaulter in the payment of his dues to the Society, cannot be in the employment of the Society and, therefore, he is not entitled to reinstatement, even if his retrenchment is held bad in law.

4. The workman filed his rejoinder maintaining his stand in the statement of claim and denying that he owes any amount to the Society.

5. After issues were settled and before any evidence was led by the parties, an amicable settlement was arrived at between the parties, the terms of which were filed and prayed that consent award be passed accordingly.

6. The settlement terms are as follows:

"(a) That the opponent shall pay to the applicant a sum of Rs. 2,000/- (including Rs. 500/- the dues by the applicant owed to the opponent) on or before 25th July, 1984.

(b) That, on receipt of the said amount of Rs. 2,000/-, the applicant shall not claim any relief as prayed in the above reference."

7. I have duly considered the above terms and arrived at the conclusion that they are just and fair to both the parties. Hence, I accept them and pass the following order:

ORDER

Consent Award in terms of the above settlement is hereby made and this reference is disposed off with no order as to costs.
